

ORBICX Scrub R560

Compact Ride-on Scrubber Dryer

Ride-on Scrubber Dryer High Cleaning Efficiency save Time Effort and money Cleaning Efficiency 3000m²/h

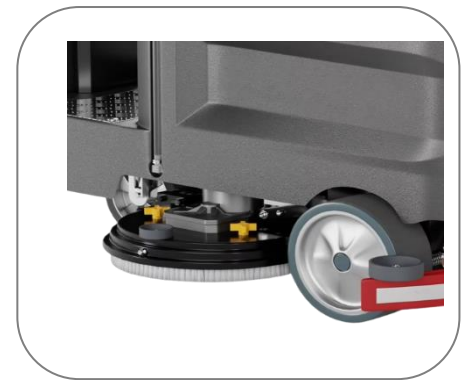

INTUITIVE MANUAL CONTROLS

Simple, easy to locate controls make the R560 very user-friendly. Immediate operation without the need for complicated training.

VACUUM-MOTOR SAFEGUARDX The vacuum-motor is protected by a stainless-steel filter, which prevents dust and debris entering the system, ensuring an even longer-life.

FLOATING SPLASH GUARD
Eliminates side splash and encloses solution inside the brush for a more precise clean, the floating mechanism protects the splashguard against wear and allows adjustment to the surface.

Description	Values
Cleaning efficiency	3000 m ² /h
Suction width	780 mm
Scrubbing width	560 mm
Brush motor	650 W
Vacuum motor	450 W
Traction motor	500 W
Fresh water tank	90 L
Dirty water tank	95 L
Life Po Battery voltage	24/100 V/Ah
Working speed, up to	0-6 km/h
Net Weight	245 Kg

Big Capacity Support Long time of Cleaning
