

ORBICX Sweeper RS1100

Automatic walk behind floor sweeper

Scrubber Dryer High Cleaning Efficiency Save Time Effort and Money

Brush height regulator and charge interface - In daily work, if the brush bristles become short, the brush height regulator can adjust the brush height to complete the normal work.

Water Inlet – 15L plastic water tank, large capacity and durable.

Side Brush Sprinkler – Wear resistant material side brush, long working life. Stainless jet nozzle, can reduce flying dust.
