

Advanced Cleaning Solution

ORBICX Sweeper RS1400

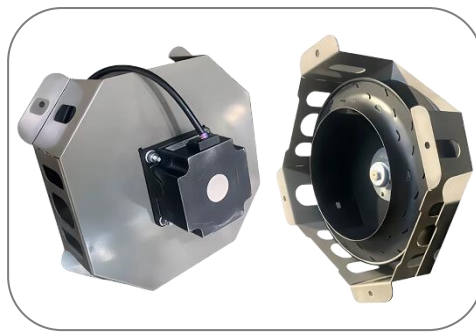

Automatic ride on floor sweeper

Ride-on Sweeper High Cleaning Efficiency save Time Effort and money Cleaning Efficiency 11000m²/h

Polyester Fiber Coated Filter Element - The coating enhances filtration efficiency and can make the filter element more resistant to specific substances like moisture or chemicals.

Adjustable Speed Stepper Fan - Stepper motors, unlike brushed DC motors, move in discrete steps, allowing for accurate control of both position and speed by adjusting the frequency of input pulses.

Mechanical Drum Brake Braking - primarily for rear brakes and as parking brakes. They utilize a rotating drum and brake shoes that press against the inside of the drum to create friction and slow the vehicle down.

Description	Values
Sweeping width	1400mm
Cleaning Efficiency	11000m ² /h
Hopper capacity	150L
Filter surface	5m ²
Roller brush motor	850w
Side brush motor	100w
Forward motor	1200w
Fan power	600w
Vibration dust motor power	45w
Water pump power	45w
Roller brush	500mm
Water tank capacity	50L
Max driving speed	12km/h
Sweeping speed	10km/h
Clipping capacity	25%
Battery charge duration	4-6h
Battery	12v80Ah*4
Maximum working time	3-6h
Product weight	450kg
Machine size	1800*1400*1350mm

**Big Capacity Support
Long time of Cleaning**

Our Product Range –Road Sweeper, Scrubber Driers, Vacuum Cleaner, Single Disc Scrubber, High Pressure Water Jet Cleaner, City Sweeper, Bins, Mop & trolley, Janitorial Product.
